Our Clerking Offer

We can provide you with

- An appointed clerk to your governing body
- Where possible, a replacement, at no additional cost, if the regular clerk is unable to attend or continue for any reason
- A specialist clerk if necessary for disciplinary, grievance or exclusion hearings

We carefully select and train our own staff and monitor the quality of their work. We encourage them to take training provided by Local Authorities and to become fully accredited by completing the National Clerks Development Programme. SAFEGUARDING

Safeguarding has never had a higher profile. It is now at the forefront of the consciousness of parents, government and media Syzygy Safeguarding can offer a solution to this conundrum: a new approach to a comprehensive safeguarding function delivering affordable access to focused and tailored services

Safeguarding

Section 175 of the Education Act 2002, and The Education (Independent School Standards) Regulations 2014 place a duty on the boards of maintained schools and academy trusts to have arrangements in place.

Keeping Children Safe in Education helps to identify how this can take place and how Ofsted Inspections will seek to verify that appropriate arrangements are in place. One way of undertaking this and ensuring that you are meeting statutory requirements is through an annual safeguarding audit.

Syzygy Safeguarding has extensive experience in all aspects of safeguarding and can provide Annual Audits and training to meet your needs from £300+VAT per day.

SYZYGY TRAINING

Having a well trained workforce is vital to any organisation regardless of whether they are volunteers or trained staff. We can work with you to develop a training package that meets your needs.

First Aid & Mental Health First Aid Training

Keeping everyone safe is part of any employer's responsibility, and under the Health and Safety at Work Act, you are required to look after the health, safety and welfare of all your employees as well as visitors to your site. Consideration needs to be given to both physical and mental first aid. We can offer both of these to you on your site. Below are some examples of what we can offer to you, but we can also tailor training to suit your needs more specifically.

Course Type	Duration	Cost +VAT
Level 3 Emergency First Aid at Work	1 day	£395 for up to 12 people
Level 3 First Aid at Work	3 days	£1150 for up to 12 people

ABOUT OUR CLERKS

We are not a recruitment agency. We employ and train our Clerks, so they should not be subjected to interview procedures by prospective boards. We recommend a meeting with the Chair of your Governing Body and Head Teacher at the start of the contract to agree ways of working and to ensure good relationships can be formed. We do not share our Clerks' curriculum vitae or previous work history with clients.

Clerk's line of authority and reporting

Your Clerk is the "constitutional conscience" of your Governing Body and is accountable to your Governing Body. For reasons of probity and independence, as advised by the DfE, the main responsibility for managing the relationship between the Clerk and the Governing Body should rest with your Chair.

DBS and identity

Under current legislation, a clerk is **not** legally allowed to have an Enhanced DBS check against the barred list. Clerks should be accompanied at all times on school premises at times when children and young people are present, during school time or while school activities are ongoing. All our Clerks will produce proof of identity on request.

Absence of the Clerk

We will try to supply a substitute clerk if for any reason your substantive Clerk is unable to take a meeting, but this cannot be guaranteed. Fees for meetings for which we cannot provide a substitute Clerk will be refunded. No refund will be given if your Clerk cannot attend a meeting due to bad weather, road closures or acts of God or if you cancel/postpone a meeting with less than 72 hours' notice.

Schools/Trusts/Partnerships are responsible for the co-ordination of meetings between all schools in their contract.

Working with your Syzygy Clerk

To allow our Clerks to work most effectively for you, we recommend that you treat them as you would a member of your own team. We ask Chairs to ensure that meetings are conducted in an orderly fashion and particularly that you reply to communications from your Clerk within 3 days to help them meet timescales and your statutory obligations.

You should provide the following for your Clerk:

- Access to previous minutes, your database system (e.g. GovernorHub) and any other information they may require to efficiently carry out their core duties.
- Up to date information about your Board's constitution and membership.
- Contact details for your governors and key members of staff.
- Access to parking.
- Accompaniment at all times while on your premises.
- An adult-sized chair and table at meetings, preferably placed next to your Chair of Governors.
- A short break if a meeting goes over 2 hours.
- Your clerk will use their discretion whether they remain should a meeting exceed 3 hours without prior agreement.
- Refreshments and access to toilet facilities.
- · Copies of documents for meetings as required.

Our Clerks will:

- Have undertaken training before taking up post with you.
- Update their knowledge and expertise as required.
- Be encouraged to undertake the national clerks' development programme or similar.
- Have signed Syzygy Clerking's code of conduct and conduct themselves professionally and with propriety.
- Be subject to Syzygy Clerking's quality assurance procedures.
- Be accompanied by a mentor if they are a new clerk taking their first meeting.
- Make every effort to arrive in good time for meetings.
- Carry proof of identity when on your premises.
- Remain until the end of the meeting, unless it goes over 3 hours in which case they may use their discretion.
- Will comply with the terms of the GDPR and will not divulge any information deemed to be confidential by your Governing Body unless specifically requested to do so.
- Inform you should there be any delay in administration or clerking provision for any reason.

WORKING WITH SYZYGY CLERKING

You agree to:

- Give at least 72 hours' notice of cancellation or postponement of a meeting otherwise a full charge will be levied.
- Allow us to use the information you have provided about your school or trust and certain members of your staff and governing body, as laid down in our GDPR policy.
- Provide a schedule of meetings to be agreed at the start of the year and meetings.
- Ensure your meetings last a maximum of 3 hours, and pay additional charges if a meeting lasts longer than 3 hours.
- Not disclose your Clerk's personal details without their prior consent.
- The main responsibility for managing the relationship between the Clerk and the governing body resting with your Chair.
- Your Chair responding to communications from your Clerk within 3 days.

You are not permitted to

Make private contractual arrangements with any of Syzygy's Clerks for 2 years after cessation of your contract with Syzygy Clerking, as stipulated in our employment contract with our Clerks.

Termination of services

We require you to give us a minimum of one full, long term's notice should you decide to terminate our Clerking services. Should we be unable to continue to provide you with Clerking services, we will give one full, long term's notice, unless the company ceases to trade.
